

FIRST RE-ESTABLISHMENT

SPECIAL CORNER

DLC45NNW

GCDB 845100

North Northwest corner to Donation Land Claim No. 45, located in Section 5, Township 38 South, Range 1 West.

Found 9 inches deep, bolt (estimated) 5/8-inch diameter, set by proportionate method on 1940, Jackson County Road Survey. See Roll File 9/2 "Voorhies and Coleman Creek Road."

Directly over said bolt, set a 1 x 8-inch Galvanized iron pipe flush, in concrete, with a 2½-inch diameter Jackson County brass cap marked:

T38S R1W
 DLC
 ┌───
 │ NNW
 └───
 45
 1996

From which: 5/8 x 24-inch rebars with Jackson County metal caps, set flush, bears:

- N75°28'48"E, 25.40 feet, located 1 foot west of R/W fence.
- S72°13'35"E, 25.33 feet, located 1 foot west of R/W fence.
- S24°48'15"W, 83.22 feet, located 2 feet north of Power Pole No. 2404.
- N08°28'13"W, 136.83 feet, located at the west edge of a 36 inches (outside) diameter concrete sewer access with manhole cover.
- S73°58'53"W, 38.03 feet.

The (brass cap) northeast corner of DLC #46 (basis of bearing) bears N00°09'50"E, 1505.72 feet.

The (1996 brass cap) southeast corner of DLC #46 bears S00°10'15"W, 1691.55 feet.

Corner lies in the middle of Voorhies Road, about 135 feet south of driveway to residence No. 2371.

See also field book notes (File "A") Book "V" - Voorhies Road, pg. 2, dated March 8, 1940.

Note: Recovery of this corner (NNW of DLC #45) has introduced an Angle Point (0°00'25") in the east boundary of DLC #46. See also Job File 96-5 for field notes.
